EDUCATION

Kabul University
2021 - Now

I am currently pursuing a Bachelor's degree in Computer Science at Kabul University, where I have strengthened my communication, problem-solving, and analytical skills. My academic journey has provided me with a solid foundation in technology and education, and I remain dedicated to continuous learning and professional growth.

Faizia Heigh School
2007 - 2019

I attended Faizia Heights School, where I developed strong teamwork and communication skills. The school's academic environment nurtured my critical thinking, collaboration, and commitment to continuous learning — qualities that I now apply in fostering an engaging and supportive classroom environment.

.

N.MOHAMMAD HOSSAINI

PROFILE

As a dedicated computer science student with a passion for technology and education, I am eager to leverage my technical knowledge and problem solving skills in a teaching environment. With a strong foundation in computer systems and programming languages. I am enthusiastic about the opportunity to contribute to a dynamic school community and make a positive impact on students' learning .

WORK EXPERIENCE

Software House : Member
2024   – Now

Completing a software training course at a software house strengthened my analytical thinking and attention to detail — skills that enable me to work efficiently and accurately in any professional environment.

Bahar Academy : Manager
2022–2023

In my managerial role, I strengthened my leadership, organizational, and problem-solving abilities, enabling me to manage tasks and people efficiently.

Target Center : Techer
2021–2022

Through my experience teaching English courses, I have developed excellent verbal communication skills and a proven ability to engage and support students from diverse backgrounds.

### Target Center : Teacher
2021–2021

During my computer teaching course, I developed strong communication, problem-solving, and instructional skills, which I believe will be valuable in contributing to an effective and supportive learning environment.
